Annual Report

OF THE

GENERAL INFIRMARY SALISBURY.

From January 1st to
31st December, 1934.

To the Readers.

WE WANT YOU to become familiar with the work of the Infirmary. If your circumstances are such that you are not able to contribute to our funds, you can at least do us the favour of reading herein about the work we are doing.

THIS is a public institution and it belongs to the Citizens of Salisbury and District. In the fulfilment of its mission it is intended to serve you in time of sickness or accident. If you are fortunate enough not to need our help, the money that you contribute will help towards the care of someone who is poorly provided with this world's goods.

WE invite you to become Interested in the Infirmary, and we welcome your advice and counsel. If you are a Citizen of Salisbury and District, it is YOUR Hospital, even though you do not have a hand in its management or contribute to its funds.

WE invite contributions for any department of our work. We can arrange for you to assist directly in one of the special departments of the hospital if you will indicate your willingness to be identified with some of our work. The names of the Governors, Officers and Contributors are sufficient warrant for the wise use of all funds that may be contributed.

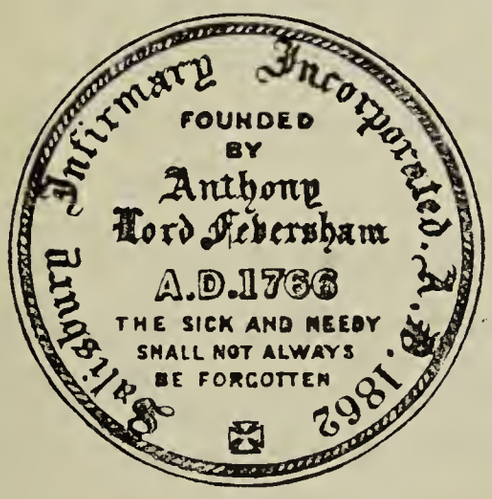
THE ONE-HUNDRED-AND-SIXTY-NINTH

Annual Report

OF THE

GENERAL INFIRMARY,

SALISBURY.



From 1st January to 31st December, 1934.

All communications to be addressed to the House Governor and Secretary, General Infirmary, Salisbury.

TELEPHONE NOS. 1000—1001 (2 lines).

Bennett Brothers, Printers, "Journal" Office, Salisbury.

Named Endowed Beds and Cots.

HAVE you lost loved ones? Here, maybe, is an opportunity to provide a suitable memorial to their name—a method of ensuring future annual income—there being no more fitting manner of perpetuating a revered memory than by naming and endowing a Bed or Cot upon which many a suffering patient would find relief and solace, and none probably would be more after the heart of the loved one whose name it would bear.

A STAINED glass window or a marble tablet gratifies the beholder with their inherent beauty of colour and form. Beyond this they are unproductive. Their cost would frequently endow a charitable work beautiful in its conception, with the added blessing of being useful in ministering to the needs of the sick poor.

GENERAL INFIRMARY, SALISBURY.

THE ONE HUNDRED AND SIXTY-NINTH REPORT OF THE COMMITTEE OF MANAGEMENT TO THE ANNUAL COURT OF GOVERNORS.

The Committee of Management present to the Governors their one hundred and sixty-ninth Report relating to the year ended 31st December, 1934.

We record with deep regret the loss sustained through the death of Mr. H. N. Devenish, M.A., a Member of the House Committee and of the Committee of Management. He was elected a member in 1914, and took an active part in the management of the Hospital right up to the time of his death.

The Standing Committee and the two Special Committees have given much time and thought to the reconstruction of the Hospital, and their reports will be found in these pages. These reports record only the more important items discussed, and the Committee of Management appreciate the large amount of time freely given in settling the details, both large and small. When the present extensions are complete, Salisbury and district will possess a Hospital modern in all essentials, of which it can be proud.

MEDICAL COMMITTEE.

Since its foundation the Infirmary had admitted within its walls 138,737 In-Patients.

In 1771, the earliest year for which statistics are available, 726 Patients (192 In-Patients and 534 Out-Patients) were treated.

In 1934, 2668 In-Patients were admitted, the number of days of Hospital treatment being 51,958, an increase of 4498 as compared with the previous year.

The largest number treated in any one day was 160 and the smallest 123, the daily average being 142.3.

The average " days of stay " were 19.5, compared to 19.7 in 1933.

Of the In-Patients treated during 1934,

1877 were discharged " cured,"
434 were discharged " improved,"
181 were discharged " unimproved,"
31 were discharged to Convalescent and other Institutions,
142 died, and
129 were still under treatment at the end of the year.

Last year the number of operations performed in the In-Patient Department was 995 and in the Out-Patient Department 565.

In the Maternity Department 55 Patients were admitted for Ante-Natal treatment prior to their confinement. 356 confinements took place in the Maternity Ward, 337 live babies being born.

In the Ante-Natal Department there were 393 New Cases this year, who were kept under observation until the time of their confinement.

In the Salisbury Maternity District 85 confinement cases were attended this year and nursed in their own homes by midwives from the Infirmary. At least 13 visits were made in each case. These cases all did well.

This is the fifth year in which this Maternity District Service has been working, and 445 cases have been confined during that time.

Nurses for Maternity Cases at a fee of 30s. can be booked at any time by applying at the Infirmary.

THE OUT-PATIENT DEPARTMENT.

In 1934 there were 9213 new cases, who made 26,911 subsequent attendances, as compared with 7647 new cases, who made 23.748 subsequent attendances in the previous year.

The figures for the individual Department are as below :—

Medical and Surgical Casualties—
New Cases, 3190. Subsequent attendances, 8104.

Medical Out-Patients—
New Cases, 296. Subsequent attendances, 1276.

Surgical Out-Patients—
New Cases, 506. Subsequent attendances, 210.

X-Ray Department—

PATHOLOGICAL DEPARTMENT.

The Greville Laboratory.

This year has again shown a considerable increase in the work done by this Department, not only on behalf of the Infirmary, but of Public Bodies over an increasingly wide area.

During 1934 the Department dealt with over 10,500 specimens, many of them requiring a number of tests. Of these, 2266 were received from the Infirmary.

A Clinic for the treatment of Rheumatoid Arthritis and other forms of rheumatism has been working during the past year at the Infirmary.

Up to February, 1935, 91 cases have been treated with very promising results, bearing in mind that the great majority of cases are patients who have been suffering from their complaint for a number of years and have previously undergone other treatments.

Of the 91, 23 have been cured and 35 improved. 15 cases shown no change, 10 have been under treatment for too short a time for any definite result, and 8 abandoned or were unable to continue treatment.

RECONSTRUCTION AND ENLARGEMENT OF THE INFIRMARY.

A great Appeal for Funds to finance the above was made by the Visitor and the President at the end of May, 1934, the sum required being £85,000. Some 10,000 Appeals were issued throughout the whole of the district embraced by the Infirmary.

Up to and including 31st December, 1934, the sum of £25,620 15s. 4d had been subscribed in cash or promised over a term of years. This sum included a welcome grant of £5000 from the League for furnishings.

The Committee appreciate the generous support, which has up to the end of the year been given by 505 donors, including the combined efforts of a large number of Villages and Salisbury Entertainments, and they earnestly hope that the many Residents and Traders in Salisbury and the surrounding neighbourhood who have not yet subscribed will come forward this current year and follow the example of those who gave so generously in 1934.

There still remains the very large sum of £59,379 4s. 8d. to be raised and it is hoped that a great effort will be made to open the New Buildings now being erected clear of debt, and to enable the work to be continued.

Included in the total above mentioned, £387 15s. 0d. has been given to the Kempe Memorial Fund, a Fund being raised to build and equip a new Theatre as a Memorial to the late Dr. Gilbert Kempe.

WORKS COMMITTEE.

Acting on the instructions of the last Annual Court of Governors, the final plans for the rebuilding of the Infirmary were approved, and tenders invited from 16 firms for the construction of the new buildings. The lowest tender, that of Messrs. Webster and Cannon, Aylesbury, was accepted and work commenced on the 28th August, 1934, on the first section (the extensions to the Nurses' Home, the Special Cases Ward and the New Mortuary). Thanks partly to good weather, this work is well in hand.

The modernisation of the Old Buildings, Section II. and III. of the Reconstruction Scheme, will be taken in hand as funds permit, when Section I. is completed.

HOUSE COMMITTEE.

The first appointment to the post of Resident Medical Officer was made on the 1st February, 1934, Mr. A. C. Price, M.B., Ch.B., being selected. The arrangement is working well.

FINANCE AND APPEALS COMMITTEE.

The Finance and Appeals Committee are glad to report an excess of Income over Expenditure of £280 12s. 6d., but they would call attention to the fact that this satisfactory state of affairs arises through reductions in two items of expenditure which are exceptional :—

(*a*) Annual Repairs and
(*b*) Interest on Bank Overdraft.

As regards (*a*) in 1934 no redecoration of Wards and Departments was undertaken on account of building operations. No redecoration, it is hoped, will be undertaken in 1935, but in future years this item of expenditure must recur.

As regards (*b*) advantage was taken of the credits accruing on the Reconstruction and the Butts Farm account to lend those credits to the General account, and thus save Bank Interest. These credits have now been exhausted, and a rise in Bank interest will appear as payments to the builders are made.

As was to be expected owing to the Building Appeal, the Income derived from donations and entertainments has fallen. The increased bed occupation is reflected in the payments under the headings of Provisions, Surgery and Dispensary and Washing.

Partly owing to the regulations of the Milk Marketing Board the cost of Milk supplied has risen by £132 18s. 2d.

One hundred and four cases of road accidents were treated at a cost of £894 0s. 2d., of which sum £260 5s. 0d. only has to date been recovered. There are still 25 Claims amounting to £302 4s. 0d. outstanding.

The number of cases treated rose by 33 compared to 1933, and the number of days In-Patient treatment by 795 to 1997.

The following tabular statements show receipts and payments in pounds only during the past five years :—

LANDS COMMITTEE.

We are glad to report that the negotiations for the sale of a further 35 acres on the Butts Farm have been brought to a successful conclusion. Arrangements have been made for the grassing down of the 14 acres remaining the property of the Infirmary.

We have been able to hand over a further sum of £1600 to the General Account.

The purchasers completed payment of the purchase money on the original building estate on the 13th June, 1934.

NURSING COMMITTEE.

Sixty-six enquiries for particulars of the Training School were received during the year. Twelve of the forty candidates who applied have been accepted ; some are already on the staff and the rest are waiting to come when vacancies occur.

Eight probationers have signed an agreement for three or four years full training. One candidate came from the Yeatman Hospital, Sherborne, as a second year nurse to finish her course at this Infirmary, and two probationers as third year nurses from the South London Hospital for Women.

Ten nurses have finished their training and gained certificates ; of these, four are taking Midwifery training in Beatrice Ward, three have been appointed Staff Nurses in other hospitals, and three are doing private nursing.

Seven probationers this year have become State registered nurses.

The following Sisters have left the Infirmary :—

Miss M. Wright, District Midwifery Sister, to take up her appointment as District Nurse for Downton.

Miss B. Hedderman to be married.

To fill these vacancies :—

Miss I. Heslington has been appointed Midwifery Sister for the District.

Miss H. Williams has returned to the Out-Patient Department.

Miss S. E. White has been appointed Sister in charge of Radnor Ward.

The work of the Midwifery School has increased ; 85 cases in 1934 were undertaken on the district, and 356 in Beatrice Ward. Nine pupils passed the examination of the Central Midwives' Board, and three nurses were sent from the Queen's Nurses' Home at Guildford for a month's training in institution work. Seven pupils stayed as Staff Nurses for six months.

Six Sisters from other hospitals gained the certificate for Housekeeping at this Infirmary, and one Student from King's College for Women came for a special six weeks' course during her summer vacation.

Several members of the Wiltshire (No. 10) Branch of the British Red Cross Society have done regular work in the Wards and Casualty Department. They were particularly helpful during the holiday season, as the Hospital was busier than is usual during the summer months.

Dr. Saunders and Dr. Taylor-Young have given lectures in Medical and Surgical Nursing to the Student Nurses and Dr. Armitage and Dr. Campbell Gordon Midwifery Lectures to the Pupil Midwives.

Dr. Monnington has kindly undertaken the care of the Staff in illness. His help and that of other members of the Honorary Medical Staff in special cases has been much appreciated by the Nurses.

CHAPLAIN'S DEPARTMENT.

During the year we have had the pleasure of having Canon Myers with us on Anniversary Sunday, and the Bishop and Mr. Bloomfield at the Harvest Thanksgiving.

We have to thank Mr. Starling, the Vicar of Alderbury, for the gift of a portable altar for use in the Wards. This has been beautifully fitted up by other friends at Alderbury, to whom we are very grateful.

Services have been regularly conducted in all Wards, and the Chaplain wishes to thank the Sisters and Nurses for their help and co-operation, especially the hard worked few who provide the music, which reminds us that the piano in Accident Ward has long been a casualty. It is still hopefully tuned, but is past all response.

ACKNOWLEDGMENTS.

Again we record our sincere gratitude to all contributors in cash and kind, to all organisers of entertainments, boxholders, and to the many friends who have assisted us during the past year in efforts both on behalf of the General Fund and of the Building Appeal.

Detailed lists of cash gifts will be found in the following pages.

We are glad to be able to congratulate the League on their continued progress, and appreciate the financial help afforded the Infirmary.

We have been able, through the courtesy of the "Salisbury and Winchester Journal" to acknowledge the many gifts in kind weekly.

Specially would we mention :—

- The South Wilts Needlework Guild, who in November, 1934, gave 1092 articles.
- Matron's Working Party, which made 1098 articles during the year.
- The Working Parties in the surrounding villages.
- The Ladies who come regularly to help with the mending in the Wards.
- The Donors to Matron's Christmas Appeal (amounting to £102 8s. 6d. in cash and many gifts in kind).
- The Toc H Librarians.
- The Women's Institute Stall in the Market.
- The Ward Visitors, who come to see Patients in the various Wards and to read to those in the Ophthalmic Ward.
- The Carol Singers at Christmas time, including :—
  - The Salvation Army Band.
  - The Students from the Training College.
  - The Members of the St. Paul's Choral Society.
  - The Members of the Brown Street Baptist Chapel, and the Salisbury Silver Band.

The Concert Parties, including :—

Miss Carey's Party, who sing in the Wards each week.

The Theological Students, who entertained the Patients in Accident and Queensbury Wards in December, and

The Ancient Wiltshire Christmas Mummers (Ritual 1604), who gave an entertainment at Christmas to the Patients in Radnor Ward.

The Salisbury and District Infirmary and Hospital League for the gift of a refrigerator for Bartlett Ward.

St. Paul's Sunday School for the gift of a Laundry Trolley for Chafyn Grove Ward.

Mr. W. J. Stamp for the gift of an Electric Blanket for Pembroke Ward, and

The Churches, Chapels, Women's Institutes, Mothers' Unions, Schools, Girl Guides, &c., for gifts of vegetables, fruit, eggs and flowers.

We also would express our appreciation and congratulations to the Matron, the Nursing and the Domestic Staffs of the Infirmary for the successful organisation of the Bazaar held in the autumn, whereby the sum of £1000 was raised towards the Building Appeal.

Again we record our debt of gratitude to the Honorary Medical and Surgical Staff of the Hospital for their unremitting zeal in the alleviation of suffering and for the welfare of the Patients in general.

Finally to the Staff of the Infirmary we tender our warmest thanks.

RADNOR,
President.

How the Public may help.

THE INFIRMARY is continually in need of materials which its limitations of Budget prevent it from obtaining. There are countless items which would make the Infirmary Service more complete,

How can the community help in this matter ?

There are numerous ways, some of which are suggested below :

By making gifts of useful articles.

By endowing a Bed or Cot, in perpetuity.

By supporting a Bed or Cot for a year.

By including the Infirmary in your Will.

By becoming a Subscriber of a small amount each year.

By a Donation of £8,300 from an admirer of our work to wipe out the debt to the Bank.

By a **Special Donation.**

By interesting personal friends in its work among the poor.

By gifts of money or books to the Patients' Library.

By gifts of toys and puzzles for the Children.

By organizing Whist Drives, Dances, Concerts, Sales of Work, and Football, Cricket, Tennis, Bowling, etc. Matches.

By gifts of Fruit, Vegetables—especially Potatoes—Eggs and Dairy Produce from Farmers, Allotment Holders and others.

By gifts of Game, Rabbits, etc.
